Garden Ponds: Basic Pond Setup And Maintenance (Garden Ponds Made Easy)

Synopsis

In this colorful Garden Ponds Made Easy title, authors Dennis Kelsey-Wood and Tom Barthell have provided an essential guide for first-time pond enthusiasts. The authors outline all of the considerations for starting out with a new pond, including determining the site, style, size of the pond, and deciding on the construction of the pond (whether preformed, concrete, or fiberglass). Garden Ponds offers a chapter on water which discusses water chemistry factors, volume of the pond, and pond surface. Other important factors involve the aeration, filtration, drainage, and maintenance of a clean (algae-free) pond. Special features, including waterfalls, fountains, and watercourses, electricity, and landscaping are addressed in detail, all accompanied by color photographs and drawings. A chapter on pond construction details every step of the project from creating a blueprint to securing the foundation. The infinite choices involved with stocking the pond with fish and plants can be overwhelming for the first-time pond owner, and the authors give excellent advice about making smart choices for a harmonious, beautiful garden pond. A special chapter on seasonal pond care gives the pond keeper recommendations for maintaining the pond all year long. Resources and glossary included.

Book Information

Series: Garden Ponds Made Easy

Hardcover: 128 pages

Publisher: Lumina Media (May 1, 2006)

Language: English

ISBN-10: 1931993696

ISBN-13: 978-1931993692

Product Dimensions: 5.3 x 0.5 x 7.5 inches

Shipping Weight: 10.4 ounces (View shipping rates and policies)

Average Customer Review: 3.5 out of 5 stars Â Â See all reviewsÂ (2 customer reviews)

Customer Reviews

I was very happy with this item. It meet my expectations and work as described.

I bought this for my husband. It came with all of the pages stuck together (on the outside, not cut properly). I would have returned it, but we live in Mexico and it was shipped to Houston for him as a gift. I brought it to him here in Mexico, so the return is not possible. The content is fine, the pictures nice, but quality like that is unacceptable.
