Customer Reviews

I just recently purchased this book, and was so excited to get it. I have not had a chance to cook anything from the book, but I REALLY LOVE ALL OF THE RECIPES after looking thru it. I especially love that I got it at a bargain price from .com. It was a used edition, but in great shape. I can't wait to make some of the recipes like the Hummingbird and Italian Cream Cake for the upcoming holidays. Then there are recipes like the Hotel Natchez Bread Pudding with Bourbon Sauce, that really sounds delicious. The Meatloaf Stuffed Tomato also sound like it would be really good, and there are so many others. Those are just a few of the recipes that caught my eye, but there were so many more. There were also a lot of Seafood recipes, that you might like. I am allergic to Sea food, so I usually don't look at those recipes as much as the others. Over all it is a great well written book, covering the most popular recipes from three great Southern States, Alabama, Louisiana, and Mississippi. I am confident you will love this great book that has more than 275 pages. Great Value, and super great recipes.

I chose this rating because I am a southerner and I love to cook. This book is a great little book for any southerner or a new bride! It has all the great recipes you grew up on and a lot of new ones. If

you like to cook, you will enjoy this book!

I have many of your best of the best books and would recommend them to all of my friends and family.

I reccomend this for any cook. The recipes are easy to follow . Great for gifts or yourself. love it
