# Quarters: Plain (Official Whitman Coin Folder)

## Synopsis

Thanks to the Statehood Quarter Program, coin collecting has never been more popular. And to take advantage of this new interest in the hobby, we're giving our complete line of Whitman Classic Coin Folders a beautiful new look.-- Multi-million dollar cover updates for the entire Whitman line!-- True-to-life foil colors reflect and beautifully represent the coins each folder holds -- e.g. Copper foil for Lincoln Cents, Silver foil for Jefferson Nickels.-- Traditional Whitman blue vinyl matches past Whitman products.

## Customer Reviews

The Plain Quarters folder is a good way to store the new 1999 State Quarters. However, I wish Whitman would publish a folder specifically for the new Quarters

My grandmother used to give us these quarter and dime filled coin folders to us as young kids when we'd visit (in the 80s) It was a big treat to get them, we'd pull out the coins as needed to buy small toys and candy, etc. I was excited to find the coin folders on and decided to start filling them up for my little nephew when he comes so he'll have this nice childhood memory also. I think the dimes wouldn't be worth very much in candy these days, but the quarters will still be a treat. These folders are great, same as I remember but with an additional panel (these have three, the old ones only two.) Good construction, and the quarters lock in nicely. It holds \$10.75 in quarters, which is odd,

there is potentially room for \$12 which would be better (hence the 4 stars.) I am enjoying placing my change in the books and look forward to giving them out as they fill up.

Exactly what you would expect. A plain quarter folder that you can add your own text to. After comparing the Whitman to Littleton folders, I prefer the Littleton's. They feel and look like a higher quality product.

These coin folders make it an easy way to store your coins, they are easy to insert, and hold the coins securely. These booklets specifically are a good way to store the new state quarters.

Good old American Quarters with Washington on one side and a long list of new pictures/engravings on the back. what a better way to display them I cannot find!
