## Synopsis

The Siberian Husky is one of the most popular dog breeds in America. This working dog has been described as loyal, friendly, beautiful, mischievous, intelligent, and filled with lots of personality. ## Customer Reviews

I am just getting into coloring again and have bought a few adult coloring books. This one is my favorite so far. I own 2 Siberian huskies and this coloring book is perfect for a husky lover like me. I did a search for one but didn't think I would really find one, but I did. I was so excited to get this. It is not only a good quality book but very beautifully done. There are a variety of huskies to color. Some with flowers and designs and others that you can color life like colors. I like that there are ones with the designs and flowers and backgrounds. I won't get bored using only real dog fur colors. Although the first one I finished, I colored to look like my own dogs. I personally love this coloring book!

This book is so cute! I have two Siberian Huskies and I've been coloring in my down time, so I thought I'd try to find a coloring book with only my favorite type of dog in it. Most of the other dog coloring books I've seen at book stores have smaller dogs like pugs and poodles, which aren't really my preferred type, so this is a great find and buy!

I received this for free from Goodreads and am so glad that I did! I love the designs and each one is completely different, despite that they all feature beautiful Siberian Huskies.

Very cute and detailed designs. Coloring is a good way to relax and unwind. This book reminds me of my dog who passed away.

This was "PERFECT"

This book brought a smile to my day!
