Customer Reviews

As always, Oxmoor House(Southern Living, Cooking Light) provides a quality cookbook, with reliable and tasteful recipes and a way to include kids' participation.) It is a go-to recipe wonder filled with kitchen-tested good recipes. And everything tastes good so you can relax and enjoy the party!

This is a good, easy to follow homemade pizza cookbook. Most kids should be able to make pizzas from the recipes (the hard part for them will be the dough making, but dough may sometimes come from the grocery.) I highly recommend this handy addition to the kitchen.

This book just has very basic recipes for pizzas. And no real instructions on how to make pizzas or on the art of making pizza. An Internet will get you much better results! I returned this book the

same day that I got it.

A must have! Now I can enjoy my home made Pizzas and I would not have to spend a fortune ordering from Yellow Cab

Gave as a gift and I get delicious pizza frequently.

Ordered as a gift and they loved it.

great book from beginning to end
