# Massage Your Cat

## Synopsis

A charming companion to the punchy and practical *How to Massage Your Dog* is now available for feline fanatics. The author teaches the novice masseur or masseuse how to appease the anxious urbanities of cats in flats, soothe the wilder spirits of would-be tigers and intrepid mousers, and gently calm the eccentricities of the cat who sits on your head, all with a warm tongue-in-cheek approach that will keep you smiling and your cat purring.
