## Customer Reviews

I bought this to make holiday treats with my daughter. There are numerous ideas for each holiday, but most of them aren't that creative or exciting. I would recommend going online and finding recipes for each holiday yourself over buying this book. Good idea for a cookbook, but lacking any real innovative recipes. There were a couple cute things we tried, but I could have found the same things in other cookbooks. Quite disappointed.

My friend enjoyed this gift, it has a lot of cute stuff in it. However its not many recipes, its more arts and crafts. Cant complain though.

I didn't hate the book but was a bit ho-hum about the other projects in the book. I ended up returning it.

Easy to read, colorful, great recipes and directions !
