Jewish Slow Cooker Recipes: 120 Holiday And Everyday Dishes Made Easy

Synopsis

This first paperback edition of Jewish Slow Cooker Recipes by Laura Frankel collects more than 120 sophisticated, simple, and satisfying kosher dishes. From everyday meals to holiday favorites, each recipe makes convenient use of the humble, ever-reliable slow cooker, using seasonal ingredients that can be found at your local market. When Chef Frankel opened her first restaurant in 1999, she was driven not only by her love of cooking, but also by the desire to prove that kosher food can be as delicious and exciting as any other type of contemporary cuisine. The same goes in her own kitchen. When her family decided to keep kosher, they gave up eating pork, shellfish, and the combination of meat and dairyâbut that didnât mean they wanted to sacrifice flavor. Frankel focused her culinary talents on creating kosher meals that are every bit as refined as their non-kosher counterpartsâboth at home and at her nationally acclaimed kosher restaurants. But creating inspiring dishes at home isnât as easy without the elaborate prep that goes into a restaurant meal. Thatâs why Frankel turned to her slow cookerâa device she had been using once a week to prepare meals for Shabbat, when cooking with the stove or oven is prohibited. Once she realized the slow cooker could produce creative meals all week long, Frankelâs culinary imagination was off and running. The book is divided by course and includes sections on appetizers, soups, entrees, sides, and desserts and breakfasts. For ease of use, each recipe clearly indicates seasonal ingredients and if it is a meat, dairy, or pareve dish. Featuring Frankelâs signature blend of convenience and globe-spanning flavors, these recipes are designed to be kosher, yet accessible to eaters of all backgrounds. Anyone interested in time-saving, family-pleasing meals will find Jewish Slow Cooker Recipes a reliable, inspiring resource in the kitchen. Whether you need a little nosh or a full-on fress, this cookbook has the recipe for you.

Customer Reviews

This cookbook was a bit of a surprise because all recipes are not slow cooker recipes. She has included many that "go with" a slow cooker recipe that is in the book. For example guacamole, parmesan crisps, rosemary and parmesan popcorn (in the appetizer section). There are no pictures. The recipes are from all over the Jewish world - which is basically everywhere - and look to be delicious. I don't see very many ingredients that I cannot get at my local grocery store here in a small town in the Midwest. I look forward to trying these out, and I have other cookbooks of Ms. Frankel's.

If you're looking for kosher quick meal ideas, this is not it! Everything has a lot of prep required. Why would I cook something before I put it in my crockpot? It defeats the purpose. Debating whether to return it or not. TM•

This, along with a Crock Pot, was a gift for my nephew who lives in a college dorm. Unfortunately many of the recipes are either not for a slow cooker at all or require access to a stove for pre-prep. Otherwise the recipes are easy to follow.

I love this book! Laura opened my eyes to the possibilities of the slow cooker and it is now a part of my regular cooking routine. Such a great help for a busy family!

I have used this for one of the recipes. I don't do much home cooking during warmer months. When days are short and cook more!
