I ordered this cookbook after "looking inside" and boy am I glad I did. I made a couple recipes out of it for Christmas as we were having 15 people. Everything I made out of this cookbook was simply

fantastic and got rave reviews from all. I knew it was going to be a wonderful cookbook when I saw a recipe for Oat Cake which has been a family fav for decades, you almost never see that recipe anymore. I love that I can order books that are not at my local bookstores...Thanks you rock!

I recently visited Lexington with a group of ladies from a garden club. I saw this book and decided to order it and prepare the menu for the place we visited and serve it to my group of friends who went on the tour. I am getting the ingredients I need ready for the big event in a few days.

Fantastic cookbook with great recipes from my home state of Kentucky - where the best American cuisine comes from!
