This incredible cookbook has so much to offer, I don't know where to begin! For starters: there are over 300 mouth-watering recipes; over 100 stunning photos; dozens of kitchen tips; heartwarming stories; and much more. Everyday Ingredients can be used, which is another plus-sign. The

inspiring stories are from women, who live a country life. The recipes remind me of Amish cooking that I've had the pleasure of tasting in the past. This cookbook includes: Morning Meals; Finger Foods; Soups & Sandwiches; Side Dishes and Salads; Everyday Cooking; Sunday Dinners; Gatherings; and Sweet Treats. In addition, There is a Special Putting By Chapter on Homemade Jams; Jellies; Pickles; Sauces and Salsas. Just looking at the colorful photos of prepared dishes, makes you think about the tantalizing aroma of some of these delicious recipes. We made the BAKED EGGS WITH CHEDDAR AND BACON, since Breakfast is my favorite. This recipe was very easy to prepare, and so delicious, I will make it again-and-again. This exciting cookbook also includes mouth-watering Appetizers, such as the CURRIED CHICKEN BALLS APPETIZER, which looks like a sensation, from the stunning photo. We are going to make several of the Salads, since we crave light dishes in this extreme summer heat in AZ. We are going to try the CRANBERRY SWEET POTATO BAKE next, and I will leave Updates with new recipes we try. The Breakfast recipes are amazing, and every recipe includes a space for your own notes, in addition to prep time, bake time and number of servings. We are anxious to try the Desserts as several mouth-watering recipes are offered. I will indeed be gifting this cookbook to family and friends on special occasions. Inspiring, delightful, and extremely useful. Highly recommended!

Yes- i wish i had this one...I got the same book but with only 320 Favorites from Real Home Cooks!! loved the Halibut Enchilada recipe with the secret ingredient that sounds so lame but is so good. I make it up in a layered lasagna style instead of individual enchiladas folded up- great for large groups. It's one of those meals that seems so elegant and people line up for more and the recipe. I bought this for a friend, who loved it...just wish i had found this larger version for myself earlier.

Expected this cookbook to be good and it was great! Between the color pictures and the amazing recipes this cookbook was not a disappointment. Tried a few that were exceptional. When the weather becomes cooler, I know I will be preparing more. Definitely one to recommend.

The Home Style Cookbook contains 420 favorite comfort food recipes you can easily prepare at home. The directions are clearly written and you will find plenty of color photos illustrating the recipes. Some of the recipes you'll find in this cookbook include: Freezer Cucumber Pickles, Shoepeg Corn Side Dish, Roasted Citrus & Herb Turkey, Halibut Enchiladas, Sneaky Lasagna, Meat and Potato Casserole, Strawberry Cheesecake Mousse, Lemon Pound Cake, Over-the-Top Chocolate Cake. I purchased this book at a bookstore at a discount price. It was a good buy for the money based on

the wide variety of recipes.Recommend.

I do a lot of cooking comfort foods and all three books had good recipes that i have not seen before.
