## Synopsis

Have you ever wanted a delicious, home cooked meal but didn't want to spend hours preparing the ingredients and cooking? Of course you do! We all want to make simple, quick and delicious meals for our friends and family. With these simple casseroles, you can just dump the ingredients in a pan, give it a little stir and wait for dinner to be ready! Written in easy-to-understand language, this book will explain how you can turn a few ingredients into a quick, tasty meal. Inside you will learn:

- How you can use simple ingredients to cook delicious casseroles for the entire family.
- Easy-to-follow recipes for breakfast, lunch, and dinner.
- Step-by-step instructions for preparing beef, pork, chicken and fish, seafood, and vegetarian casseroles. You can do it! Learn the tips and strategies for cooking simple, inexpensive casseroles. Take expensive ingredients and learn to stretch them to serve a big family by preparing a casserole. Casseroles are easy to make and include everything you need for the meal. Preparation time is short and cleanup is limited to a Dutch oven or pot!

I always love cooking special dishes but never wish to spend hours preparing the meal. I go for quick recipes and I found this book to be very useful. There's are plenty of recipes in this book but I have tried only buffalo chicken bake which turned out to be yummy. It was easy to prepare and didn't take much time. Looking forward to try all the recipes as well. It was an interesting read.

I am not a great cook .All I wanted was something different to eat everyday day without getting bored and without spending too much. The recipes are simple yet delicious. The writing is easy to follow as well. Thanks to Jessica, she made my life a lot easier.
